Dear Mr Kshetri,

I would like to congratulate you on your recent appointment as Inspector General of Nepal Police and Head of National Central Bureau of INTERPOL Kathmandu.

I hope this new appointment will enable you to strengthen your fight against crime, not only in your country, but also at the international level.

Nepal Police has always been a key partner of INTERPOL in Asia and the South Pacific. It has shown strong participation in many of the Organization's activities and initiatives, thereby supporting the goals and mission of INTERPOL.

While I appreciate that your new responsibilities and the current COVID-19 crisis will make many demands on your time, and although it might not be an ideal situation for travel, I nevertheless take this opportunity to invite you to pay a visit to the INTERPOL General Secretariat in Lyon. I would enjoy the occasion to brief you on our activities and technological facilities that have been put in place to fight all forms of transnational crime, and determine your country's needs in order to enhance its role in international cooperation.

Finally, with recent developments of the COVID-19, INTERPOL renews its support in these challenging times.

I wish you every success in your endeavors and assure you INTERPOL's full support in the interest of international police cooperation.

Yours sincerely,

**Jürgen Stock**  
Secretary General
